

'Master Your Feed Margin' Workshops

Lactanet is pleased to offer virtual 'Master Your Feed Margin' workshops as a follow-up to the webinar held on February 23rd, 2021. We will be hosting two workshops for robotic producers and two workshops for producers with large herds in the western provinces. Space is limited to 10 participants per workshop.

| Type | Date | Time | Trainers |
|-------------------|-------------------------|-------------------------------|------------------------------------|
| ROBOTIC | Thursday March 18, 2021 | 10:30 PST/11:30 MST/12:30 CST | Catherine Cross & Jennifer Donahue |
| LARGE HERD | Friday March 26, 2021 | 10:30 PST/11:30 MST/12:30 CST | Jean Brisson & Catherine Cross |
| LARGE HERD | Monday March 29, 2021 | 10:30 PST/11:30 MST/12:30 CST | Jean Brisson & Catherine Cross |
| ROBOTIC | Thursday April 1, 2021 | 10:30 PST/11:30 MST/12:30 CST | Catherine Cross & Jennifer Donahue |

With the generous contribution of **WestGen** through their Endowment Fund, the cost of this workshop has been subsidized and will be a total of \$25 per participant. This will be billed to you by Lactanet after participating in the workshop.

REGISTRATION FORM

To register for one of the workshops, please fill out the form below. Once completed, click **SUBMIT**. Once your registration has been confirmed, one of our advisors will contact you regarding the calculation of your herd's feed margin. You will also receive a Zoom invitation to join the workshop 24-48 hours prior to the event.
